February 22, 2005

An act to amend Section 60630 of the Education Code, relating to pupil assessment.

LEGISLATIVE COUNSEL'S DIGEST

AB 1668, as introduced, Salinas. Pupil assessment.

Existing law requires the Superintendent of Public Instruction to prepare and submit to the Legislature and State Board of Education an annual report containing an analysis of the results and test scores of the assessment of applied academic skills and the achievement test.

This bill would make technical, nonsubstantive changes to those provisions.
